Stonebridge has changed a lot in 1500 years. Think about and draw: (you may use the other side of this paper to draw on)

1. Draw what Stonebridge looked like when the First People lived here.
2. What changed when the settlers came?
3. How does Stonebridge look now?

## Draw a plant you saw today:

What is it called? Learn more-How was it used?

## What does friendship look like to you?
